GPS LOCATION

4G Life Minder

PERSONAL SAFETY ALARM

The Life Minder goes with you wherever you are, not just at home.

Calls up to 8 people in the case of an emergency.

Sends your GPS location followed by a clear two-way talk conversation.

- STEP 1** Press the SOS button to send a SMS text to all programmed numbers with its location using Google Map. In the case of a fall or wandering from home it will automatically raise an alarm.
- STEP 2** The Life Minder calls up to 8 programmed numbers in turn and will continue until answered.
- STEP 3** When answered the Life Minder allows a handsfree conversation.

- Telstra Coverage
- Two-Way Talk
- GPS Location
- IP67 Water Resistant
- No Ongoing Monitoring Fees
- Available in Black or White

Get your life back and feel free again. Play golf, fishing, early morning walks and Caravanning.

No need for a complicated mobile phone, NBN land line or internet. It is so simple to use and will give the family the comfort of knowing that their loved ones are protected. The user can even dial two of the programmed numbers from the Life Minder by simply pressing a button.

EASILY ATTACHED TO A WRISTBAND, BELT CLIP OR NECK LANYARD

Falls

Risk of falls can be fatal if not addressed immediately. The Life Minder will alert all contacts, giving them the location of the wearer followed by a telephone call.

Wandering

Dementia has become a major issue for many families. Wandering from their home is a major concern that could result in a serious injury.

The Life Minder will place a GEO fence around the home. If the person wanders past this boundary it will immediately send out a SMS message warning of the potential danger. The Life Minder will repeatedly send a new location map where the Life Minder is. Any of the programmed numbers can call the Life Minder and talk handsfree with the user.

Monitoring

There is no need for a costly monitoring centre, the Life Minder can be programmed to any of your family or friends.

Or as an alternative we have our Medical Monitoring Centre which will take all of the emergencies and call an ambulance if required.

Life minder service

The Life Minder is supplied with a Aldi SIM card on the Telstra Network and fully programmed with the information supplied by the family. The Life Minder will be fully charged and ready for use when delivered.

On going customer support

Life Minder has a free call 1800 number for our service and customer support. The Life Minder comes with 12 months warranty, and 14-day money back guarantee if not completely satisfied.
